## NEWS FROM THE BOARD

Happy New Year, Greenfield residents! **We have an important announcement to make: The Board of Directors will no longer employ Sunshine Management as our property management company as of May 31, 2020.** The current property manager position has transferred at Sunshine Management from Mozelle Campos-Lopez to Staci Vest. Staci will be seeing us through our transition to an entirely new property management company.

The Board has been working diligently since October to finalize these plans and will be sharing more information with you shortly regarding the transition.

Going forward, please direct all questions and concerns regarding dues, violation notices, and other general questions to our temporary property manager at Sunshine Management - Staci Vest. Her information is included on this newsletter.
